

RECRUITMENT SEARCHING SERVICES

ABOUT US.

At DO Payroll Solutions, we are committed to providing employers with professional payroll and HR tools to help them run an efficient workplace.

BEST CANDIDATES IN 5 EASY STEPS

Client's Needs

Learning the client's need will involve completing a questionnaire, schedule a meeting to review the answers, and presenting the Job Post for approval.

Job Posting

Your open position will be posted on many job boards at the same time.

Candidate Search

Candidates are classified based on the client's needs to test them with a pre-employment assessment.

Assessment

The applicants will complete different types of assessments focused on Skill & Knowledge, Personality, Cognitive Ability, Situational, and the Fit for the position.

Interview

We will provide you with a report for each candidate with their information and schedule the interviews for the candidates you select. Once you decide the best fit for you, we will process the Background Screening, Education Verification, and Employment Verification.
